

INURRIETA

Inurrieta Orchídea 2021

*...a noble halo of aromatic complexity.
A fairy-tale wines.*

Grape variety: 100% Sauvignon Blanc.

Vinification: Fermentation under controlled temperature at 13°C.

Tasting notes: Highly attractive thanks to its unique blend of aromas combining tropical fruit with citrus and vegetal notes. A Sauvignon Blanc that shows daring.

Outstanding, bright, crystalline yellow-green. Delicious varietal aromas, in a frank, very complex nose -pineapples, passion fruit, grapefruit and boxwood- reinforced by a tremendously creamy mouth. Tank ageing over fine lees for 4 months heightens the sensations of creaminess and smoothness in the mouth.
