

INURRIETA

Inurrieta Mediodía 2021

...lively youthfulness, luminosity and color experience.

Grape Varieties: 33% Cabernet Sauvignon, 23% Merlot, 23% Graciano, 11% Garnacha and 10% Syrah.

Vinification: Traditional “rosado de lágrima” following the bleeding method. Fermentation at 15°C.

Tasting notes: Its attractiveness is owed to its unmistakable vivid pink with purple hues. Garnacha in a modern, special, creative, uninhibited vision.

It develops subtle, inexhaustible aromas: rose petals, cherries and strawberries. Balanced and fresh, its development on the palate again evidences a honeyed creaminess.
