

INURRIETA

Inurrieta Puro Vicio

Syrah 2023

Limited edition 11.522 bottles

...direct, straightforward...

Alcoholic Percentage: 14%
Serving temperature: 15-18°C

Grape variety: Syrah.

Vinification: From a vineyard on a steep slope, where our Syrah vines dig their roots deep into the soil, becoming true survivors; from the most accommodating vines that are most generous in nuances, this wine is born. It is a red wine made with 100% Syrah grapes, aged for 15 months in new American oak barrels.

Tasting notes: It is a wonderful deep black, with a lively, purple rim. Intense, complex nose of blackberries and lilacs, and balsamic, mocha and mineral hints. Smooth yet elegantly powerful attack. Creamy tannins and a mixture of fresh and candied fruit mark its intense mouthfeel. Firm body with sweet, polished tannins. It concludes with a long, flavorsome finish.
