Graciano 2022

Limited Edition 3.574 bottles

...restless and innovative...

Alcoholic Percentage: 15%
Serving temperature: 15-18ºC

Grape variety: Graciano.

Vinification: Fermentation in wooden vats and aged for 14 months in Frech oak barrels.

Tasting notes: In our hillside vineyards dig their roots Deep into the soil, to trun them into survivors. This is the key to the personality of our grapevines: proud and difficult, complicated an enthralling. This is also the essence of this wine.

Especially intense, very saturated colour. To the nose, balsamic notes of very ripe grapes are its hallmark, In the mouth, its well –integrated acidity enhances the wine´s aromatic expression contributing to an outstanding volume. The toasty notes from the oak are largely concealed, while fruit and freshness dominate the mouth, enveloped in a light liqueur with a large, persistent, lively finish.
