

INURRIETA

Inurrieta Mediodía

Rosé 2025

...lively youthfulness, luminosity and color experience...

Grape Varieties: Garnacha, Cabernet Sauvignon, Merlot, Graciano and Syrah

Vinification: Fermentation at 15°C.

Tasting notes: Its attractiveness is owed to its unmistakable vivid pink with purple hues. Garnacha in a modern, special, creative, uninhibited vision.

It develops subtle, inexhaustible aromas: rose petals, cherries and strawberries. Balanced and fresh, its development on the palate again evidences a honeyed creaminess.

Awards:

- Best Rosé Wine in Spain - Premio Alimentos de España 2026
